

FOR IMMEDIATE DISTRIBUTION

### **Jan Klinger becomes 3D-Micromac's new Head of Sales**

On May 1, 2017, Jan Klinger took over as new Head of Sales of 3D-Micromac AG, the industry leader in laser micromachining and roll-to-roll laser systems for the photovoltaic, medical device and electronics markets, based in Chemnitz, Germany. He is now responsible for all the company's sales activities. In his new role, he will report directly to the CEO Tino Petsch.

Jan Klinger has industry knowledge relevant to 3D-Micromac and formerly worked in sales and key account management at HSEB Dresden GmbH and in the Sales, Service and Technology departments of Applied Materials.

He will strengthen the existing sales team and will primarily be responsible for tapping into new market segments and further expanding the international sales network.

### **About 3D-Micromac**

Founded in 2002, 3D-Micromac AG is the industry leader in laser micromachining, delivering powerful, user-friendly and leading edge processes with superior production efficiency. We develop processes, machines and turnkey solutions at the highest technical and technological level. 3D-Micromac systems and services have been successfully implemented in various high-tech industries worldwide including photovoltaic, semiconductor, glass and display industries, micro diagnostics, and medical technology.
