By car

If the name of the street Technologie-Campus is not available in your navigation system, please choose Fraunhoferstraße in 09126 Chemnitz alternatively. If both streets are not available, we recommend following our directions below.

Exit A72, Chemnitz-Süd

Leave A72 at the exit Chemnitz-Süd. Follow Neefestrasse and turn right into Südring. Go straight ahead on Südring in the direction of Annaberg until you reach the exit Saydaer Str./Am Stadion. At the crossroads turn left into F.-O.-Schimmel-Straße and follow this road until the roundabout. Take the second exit of the roundabout und follow Fraunhoferstraße until you reach 3D-Micromac on the right hand side.

Exit A4, Chemnitz-Mitte

Leave A4 at the exit Chemnitz-Mitte. Follow B95/Leipziger Str., which leads you directly into the city center (direction sign: TUC, Campus Reichenhainer Straße). Go straight ahead Leipziger Straße, which becomes Reichsstraße and afterwards Gustav-Freytag-Straße. Turn right into Reichenhainer Straße (direction: Südbahnhof) and then take the second exit of the roundabout into Fraunhoferstraße. After 750 m on Fraunhoferstraße you will reach 3D-Micromac on your left hand side.

By train

From Chemnitz main train station 3D-Micromac AG can be reached easily by taxi or city tram. The city tram stops of lines C13/C14 are located directly in the main train station. Take line C13/C14 in the direction of Chemnitz Stadlerplatz and get off at the stop "Stadlerplatz". Turn right into Lutherstraße and follow it for approximately 200 m. Then turn left into Fraunhoferstraße. After 350m you will reach the Smart Systems Campus and 3D-Micromac.
